

# Post-fracture care gap in the elderly: a frequently encountered barrier in FLS

**WHEN: Tuesday, Jan 29, 2019**

**12-1pm (Eastern Time)**

**PRESENTED BY:**

**Dr. Diane Theriault**  
Chief Scientific Officer,  
Osteoporosis Canada  
FLS

*Of interest to FLS medical leads, FLS coordinators and health care administrators who already have an FLS or those close to implementing an FLS*

Osteoporosis Canada offers a variety of tools and resources. In this webinar, learn about:

- An overview of barriers encountered when treating the elderly population
- Some solutions to overcome these barriers
